PRIME TECHNICAL SERVICES

CHICAGO, IL

RECRUITER

ROLE OVERVIEW

The Recruiter role is vital to Prime Tech's success and we are always looking for passionate and driven individuals to join our team!

As a Recruiter, you will be working in tandem with your Account Manager and Sales Team to provide staffing solutions to our largest clients across the United States.

While the average Recruiter is in this role for less than 6 months before promotion, the foundation of your career and business acumen is built during this time.

You will learn to build a pipeline of talent, communicate across different lines of business, and most importantly sharpen your skills as a Salesperson. If you're willing to put in the hard work... we will ensure your long-term success and financial gain here at Prime Tech!

QUALIFICATIONS

- ✓ Ability to thrive in a fast-paced and performance-based environment
- ✓ Excellent written and oral communication skills
- ✓ A creative problem-solving and solution-driven mindset
- ✓ An eagerness to learn with enthusiasm to experiment to find the best possible solutions

BENEFITS

Competitive base salary + the ability to earn uncapped commission right away.

Performance incentives such as the potential for quarterly + yearly bonuses.

Employee benefits package including Medical, Dental, Vision coverage, 401(k)-retirement savings plan, PTO, and Holiday pay.

CAREER PATHS

At Prime, it is our mission to see our employees become successful. During our top-tier training program, we provide all the resources and support necessary to achieve growth. The recruiter role provides the foundation for developing your skills and business acumen leading to long-term success.
